Profile Class:	

Is your business a Micro Business?

Your company is a micro business if it meets one of the following criteria:

- Employs fewer than 10 employees (or their full time equivalent) and has an annual turnover or balance sheet no greater than €2 million, or
- Consumes not more than 100,000 kWh of electricity per year, or
- Consumes not more than 293,000 kWh of gas per year.
- If your business uses this much energy it should equate to an annual spend of around £10,000 per fuel (excl. VAT and Climate Change Levy).

Once completed please return the form to business@pfpenergy.co.uk

Disclaimer

By submitting this form you agree to the below:

I/We understand that all prices quoted by PFP Energy Ltd are based on 10 days direct debit payment.

I/We understand and give consent to PFP Energy Ltd in conducting a credit search, using a Credit Reference Agency.

I/We understand and give consent to details of the performance of any credit facility granted being submitted to credit reference agencies and shared with other companies who may be considering offering credit facilities.
