

PFP Energy Cashback Terms and Conditions

Switch to PFP Energy and you may receive £100 Cash Back

- Firstly, please note that the Cash Back Intro Offer is only applicable to **Electricity Market tracker products** and is not valid with any other product offered by PFP Energy.
- This offer is only valid for energy contracts directly sold by PFP Energy. Any supply contracts sold via a third party broker or comparison website will not be eligible for this discount.
- The amount of **£100.00** will be added to your PFP Energy account as a credit, on the 1st day of supply, should PFP Energy successfully register your supply.
- The offer of £100.00 is subjected to one offer per business customer, for example if you have multiple supply points, you will only receive the offer for one of the said meter points.
- The credit amount will then be retained on the account for 6 months after the supply has successfully been taken on by PFP Energy. The amount will then be directly refunded back to the customer at the end of month six via a BAC's transfer.

This will be a direct refund back to the customer's bank details. Please note that PFP Energy will be unable to offer a cheque or cash refund.

To successfully receive the introductory offer, the following criteria's must have been met:

- There must be an active Direct Debit on the account throughout the length of the six-month period.
- If the Direct Debit has been cancelled at any time during the period of six months the £100 Credit will be automatically deleted.
- If a Direct Debit is cancelled and then re-instated, it will be subjected to the Discretion of PFP Energy, as to whether the credit will be re-allocated to the account or not.
- You must remain up to date with payments during the six-month period and your account must not fall in to arrears. Should your account fall into arrears then the £100 credit will be removed from the account.
